

LETTER OF GUARANTEE

*For the attention of
the Embassy of Japan
in the Republic of Moldova*

We, the undersigned, Republican Center of Rehabilitation for Children (hereafter referred to as „Beneficiary”), the beneficiary of the grant for modernization of medical equipment, offered within the program of grant assistance for human security projects „Kusanone”, hereby guarantee the following:

1. To assume the entire responsibility for the due implementation of this project;
2. Regardless of the fact that the buildings of Republican Center of Rehabilitation for Children and the land on which these are situated are the state property, managed by the Ministry of Health, the Beneficiary has the full right to use them and to make decisions regarding their use, including the decisions regarding the overhand of the premises, without the need of the approval by other institutions;
3. To use the equipment purchased as a part of the grant project for an adequate period of time, at least 5 years, starting the moment of its installation;
4. To ensure the qualitative installation of the equipment and, in case of occurrence of additional installation/delivery costs, to cover them using the Beneficiary’s own funds or other sources.
5. To equip the rooms where the equipment is to be installed with electrical outlet, lighting, and air conditioning systems necessary for effective use of the medical equipment;
6. To create all necessary conditions for maintenance and efficient use of the installed equipment (signing a contract with the supplier of maintenance services, organizing trainings for personnel, ensuring necessary repair works and purchasing consumables using the Beneficiary’s own funds). The Beneficiary guarantees that the purchased equipment can be maintained / repaired on the territory of the Republic of Moldova or on the territory of the neighboring states;
7. To use the purchased equipment strictly for the project’s intended purposes, without pursuing any commercial goals;
8. To cover the repair of the equipment using the Beneficiary’s own funds in case of occurrence of damages/ malfunctions of the equipment after the guarantee period;
9. To ensure that the suppliers of the equipment organize trainings for the personnel regarding the use of the equipment;
10. To ensure that only qualified personnel uses the equipment;
11. The Beneficiary has medical personnel who will be using and maintenance the equipment purchased within the project (1 ultrasonography specialist);

12. To announce and to organize the bid (tender) for purchasing the equipment according to national legislation, immediately after signing the grant contract between the Beneficiary and the Embassy of Japan in the Republic of Moldova. The Beneficiary acknowledges the fact that the Embassy of Japan in the Republic of Moldova has the right to inform all the bidders of the results of the bid (name of the winning company, winning price offer, technical characteristics of the equipment, and reasons for choosing the winning company);
și achetați toate taxele Bancare (inclusiv Taxele ce tin de schimbul valutar) pe seama Beneficiarului (CRR) sau alte resurse.
13. To pay all bank fees (including the fees related to conversion of foreign currency) using the Beneficiary's own funds or other resources;
14. In case the initially requested grant funds are insufficient for due implementation of the project, to cover this deficit using the Beneficiary's own funds or other sources;
15. There is no risk that the Beneficiary's work may be suspended due to the physical state of the Beneficiary's buildings;
16. There exists no plan of merging the Beneficiary with other hospitals or institutions;
17. To produce and install, using the Beneficiary's own funds or other sources, in one or multiple visible places (for example, Institution, department, section, or room entrance) a sign that indicates that the installed equipment has been purchased with the support of the people of Japan, according to the attached template;
18. To ensure high quality of the medical services provided by the Beneficiary after the finalization of the grant project;

NB! The donor may modify the guarantee letter in the course of examination of your application.
